### **SEMO Food Bank receives \$5,000 from Enbridge for Holiday Mobile Food Distributions in Campbell and Van Buren**

Sikeston, MO (Nov. 9, 2021) – Thanks to a grant through the Enbridge Fueling Futures program, Southeast Missouri Food Bank will hold special holiday mobile food distributions in Carter and Dunklin counties this week.

A holiday mobile food distribution will be held at 4:30 on Thursday at First Assembly of God, 505 Allen Road in Campbell, MO. Another holiday mobile will be held at 1:30 p.m. on Friday at Van Buren School, 2019 Broadway in Van Buren.

Families participating in the mobile must reside in that specific county and should be prepared to provide a photo ID or other proof of residence. Each family will receive a box containing about 30 pounds of food for a holiday meal.

The mobiles were made possible with a \$5,000 from Enbridge, a gas pipeline and renewable energy company operating in the United States and Canada.

“We are connected to the communities in which we operate in so many ways,” Pete Sheffield, Enbridge’s Chief Sustainability Officer, said of the Fueling Futures program. “We live in these communities, raise our families in these communities, and as a good neighbor, Enbridge is committed to fueling quality of life.”
